As you read through the pages of this yearbook, we, the staff, hope to bring to you once again the pleasant memories of your high school years. We, the class of '58, stand on the threshold of tomorrow looking back to the joys and sorrows that we have shared together, while also looking forward with expectation to the many wonderful opportunities that are just beginning to open up to us.

May all the knowledge that we have experienced here be embodied in our spirits so that virtue, truth, and justice may silhouette us, the class of '58, against the glow of an uncertain world.

BILLERICA MEMORIAL HIGH SCHOOL

Billerica, Massachusetts

Billerica Public Library  
15 Concord Road  
Billerica, MA 01821

MR. ADAMS—*Principal*

Dear Mr. Adams:

When we entered high school four years ago, we suddenly became aware that the goal we had set many years ago would very soon be reached. We feel that our class has been very fortunate in having attended both the old high school and the new one. Because of this we can fully appreciate the many assets and improvements our new high school offers to each student.

None of these improvements, however, could be possible without the sincere friendliness and cooperation that you and the members of our faculty have always shown toward us.

Through your tireless effort and guidance we will leave Billerica Memorial High School with the confidence that the new goals we have set will be successful ones.

Mr. Adams, Robert Knowles, and John Farmer

## *Dedication*

We, the graduation class of 1958, dedicate this book to Mrs. McGee, because of the inspiration she always gave us when we most needed it, and her sincere friendship, which we hope will continue through the years.

We will never forget how hard she worked as our class advisor in order to make our four years of high school enjoyable and successful ones.

# Class History . . .

As we the class of 1958 leave Billerica Memorial High School we can't help but look back with happiness on our four memorable years. Now leaving, it seems like only yesterday that we entered as freshmen at Howe High School. Since we believed there was safety in numbers we arrived in a happy but fearful group. Our fears were soon calmed by the friendly atmosphere of the school and the warm welcome of the faculty.

As our first taste of high school life we attended a football rally, and continued throughout the season to support our winning team. Later on both boys and girls tried out for basketball. Many were successful in making the teams. Then as the warmer days of spring came, baseball and softball were the main interests of the sports enthusiasts.

With spring in our hearts we were filled with excitement and gaiety as we planned our first class activity, a spring dance.

Our freshman year came to a close with the celebration of the three hundredth anniversary of our town, an event in which many of us participated.

September of 1955 marked the beginning of our sophomore year and the opening of the new Billerica Memorial High School. Though we had had a year of high school, we found ourselves once again bewildered and lost, since the school was so large and new. However, our activities came easily, including the familiar round of games, rallies, and dances. Although there were longer hours with more serious study, the days were made more enjoyable by the recorded music in our pleasant new cafeteria. The highlight of our social life, our Jingle Bell Ball, came in late winter. Another important event was the Bleacher Fund Drive and dance, supported by the students, faculty and townspeople. Our sophomore year came to a close with many of us planning for summer jobs.

Now entering as juniors, reaching the half way mark, we felt we really were part of the school. Another symbol of our belonging was the arrival of our class rings. Sports once again took up a lot of our time, and in an effort to further sports activities, Coach Lampson originated the "Penny Jar". Our activities were not limited to sports, however. To start the winter season, the Dramatic Club presented the Christmas Pageant. This was followed by "Pot Luck" and "Hill Billy

Hi-Jinks". The biggest event of our three years took place in May. This was our Junior Prom, "Touch of Spring", at which Cathy Grappi was elected queen.

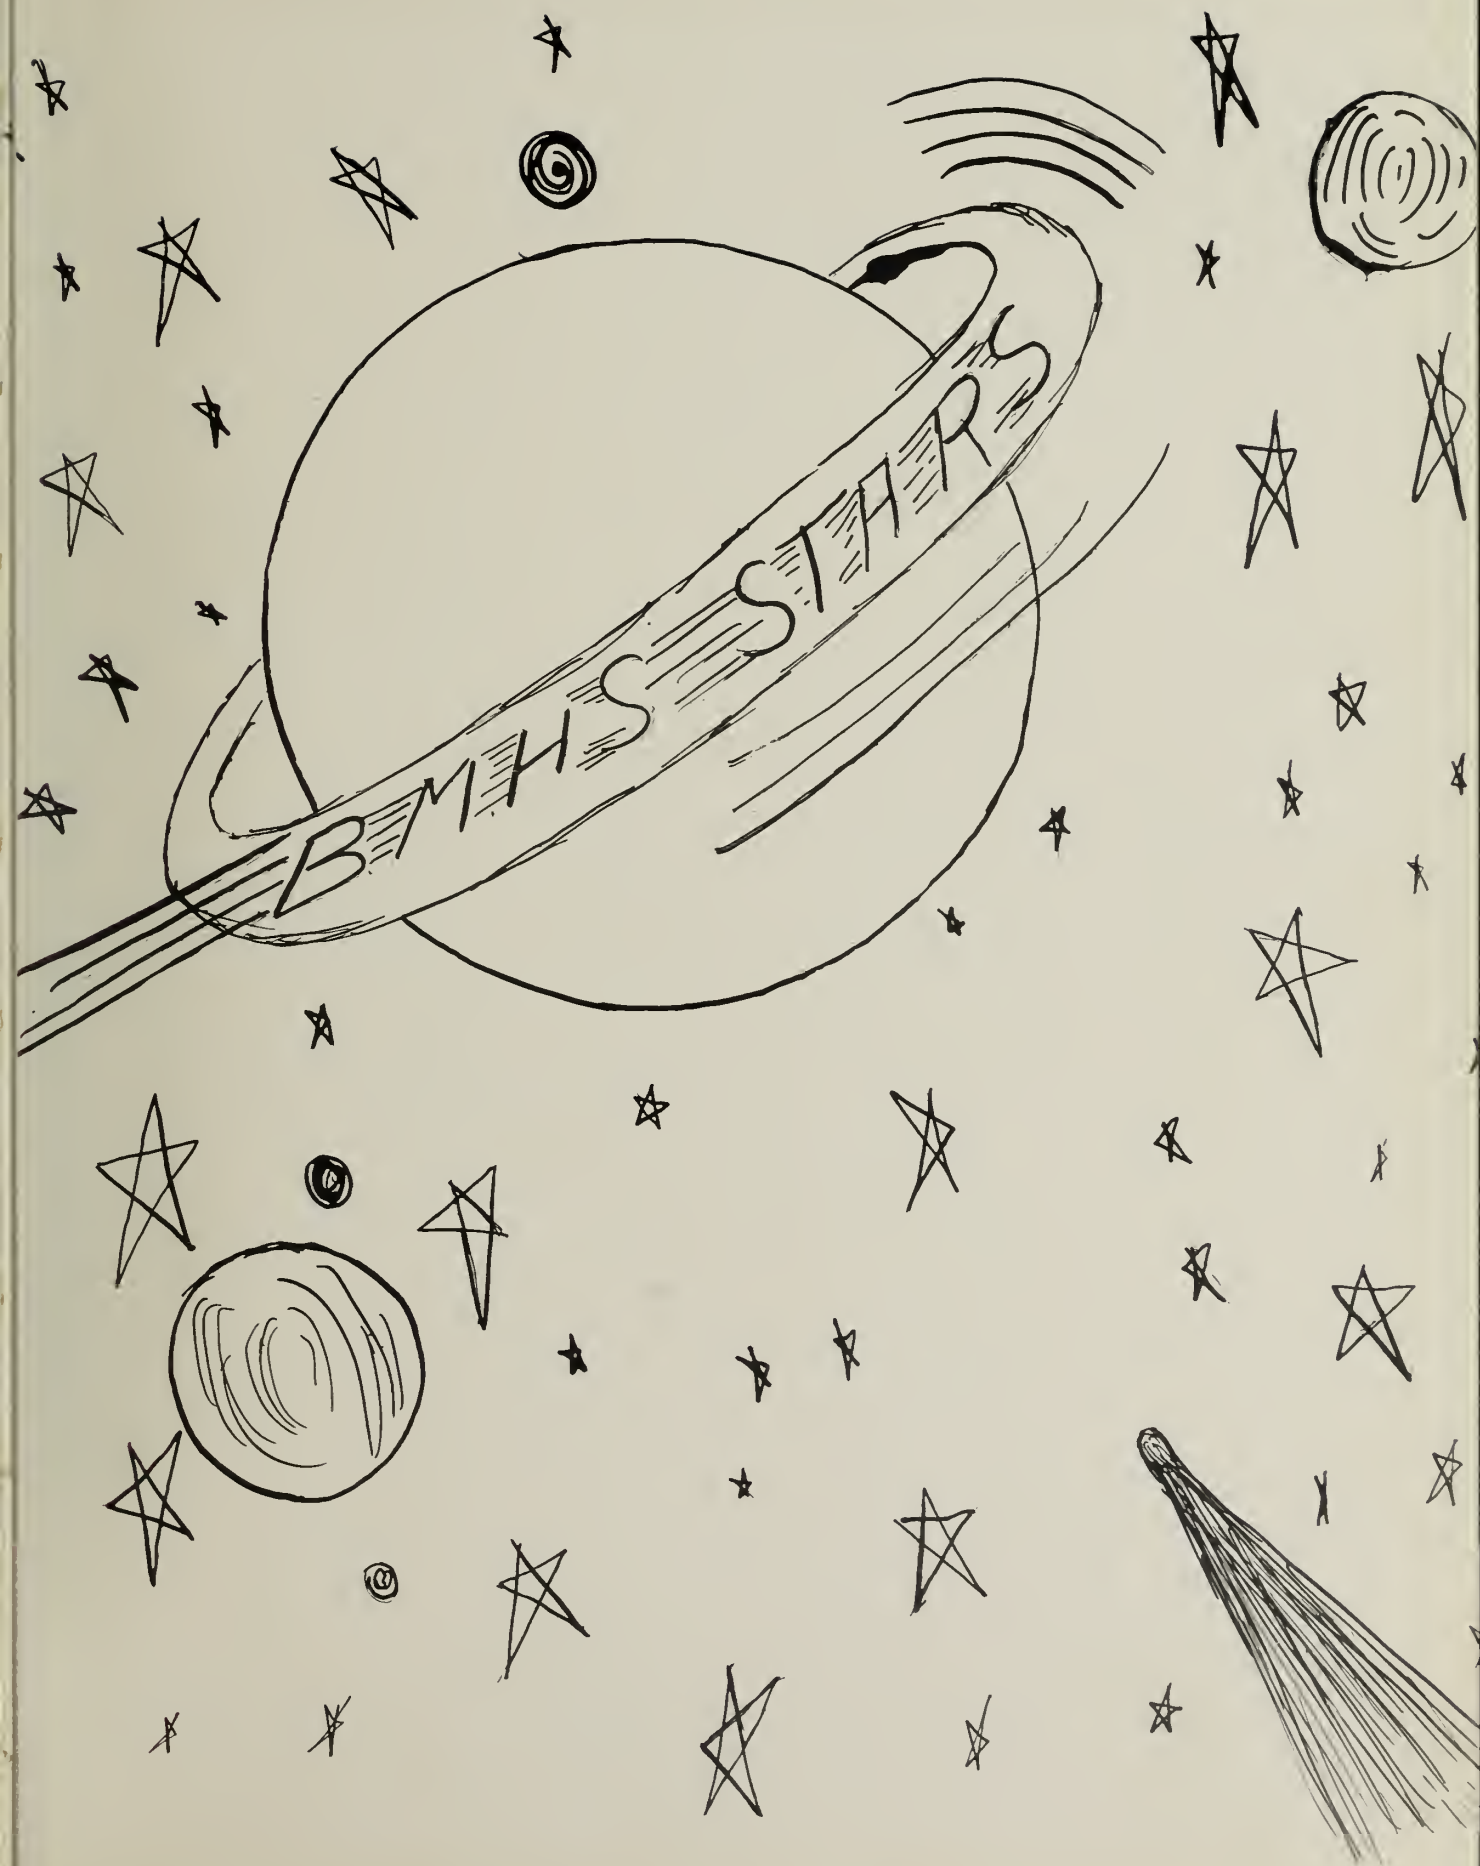

The more serious side of our school life was represented by the organizing of a student government. One of our own class members, Richard McElhinney, was chosen as President to serve in the following year.

On returning to school, we in turn elected our class officers. We chose Robert Knowles as President, John Farmer as Vice President, Joyce Lee as Secretary and Claire Dubois as Treasurer. These able people helped us greatly as we reached the last and most exciting year of our high school career. The year started off with a very successful record hop sponsored by the Cheerleaders. This brought about much school spirit for the coming football season. To add to the excitement a minstrel show, "The Kick-Off" was held for the public. Then on the day before our annual Thanksgiving day football game with Chelmsford, it was held again for the students. Also on that day the Cheerleaders held their annual football rally. Now the "Big Day" was here. We put on our green and white and headed for the football field. The game started and the pep squad cheered the team on. As the game progressed, we saw how hard the boys were fighting for victory. Although we lost by points it proved to be a moral victory. That night everyone attended the football dance. Trophies were awarded to the outstanding players of the year. The football banquet was given to the players and the Cheerleaders by the Billerica Businessman's Club.

At Christmas we celebrated the season with our Tri Delta Hop and Pageant. Then basketball season was here and once again the school spirit reigned, as we saw our teams go through a successful season.

Now on the eve of our Senior Prom, "Sweet-heart Serenade," all our memories seem more vivid as we realize that graduation is approaching. This is not only a time for memories, but a time for looking ahead to college and jobs. In considering these plans, we come to appreciate the guidance and inspirations that our teachers have given us, especially that of our class advisor, Mrs. McGee. Now as we leave, grateful for our excellent background, we can go forward into our future careers with confidence.

Student Government officers and representatives

The Student Government was newly formed at B.M.H.S. this year. The students took office in September of 1957. Run by parliamentary procedure, it offers the students a chance to practice democracy. Each homeroom and club is represented by one student, having one vote each. Before being elected, each candidate for an office must conduct a week long campaign, climaxed by a speech before the student body. Under the capable direction of Mr. Nuttall, it has sponsored many student activities, such as the starting of the pep squad, selling fudge, and holding a dance.

The officers are: President, Richard McElhinney; vice presidents, William Lavery and Patricia Collins; secretary, Karen Hansis; and treasurer, Diane Desrosiers.

## OFFICERS

Left to right: Diane Desrosiers, Patricia Collins, Mr. Nuttall, Richard McElhinney, William Lavery, Karen Hansis

Members of the National Honor Society with their advisors, Mr. Sher and Mr. Merrifield

We are blind until we see  
 That in the human plan,  
 Nothing is worth the making  
 If it doesn't make the man.  
 Why build these cities glorious,  
 If man unbuilt goes?  
 In vain we build the world,  
 Unless the builder grows.

## *Honor Society*

On December 16, 1957, Billerica Memorial High School inducted its most high and honored club, the Honor Society, under the leadership of Mr. Merrifield and Mr. Sher with a number of the faculty present.

The Beacon Light Chapter of the National Honor Society of Secondary Schools holds, as its objectives, to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of B.M.H.S.

It is composed of an Executive Committee of four faculty members and four officers, graduate members and active members; juniors and seniors who by their previous marks have attained a B average and show promise of continued excellence in their scholastic achievements.

The emblem is the keystone and flaming torch on which appear the letters C.S.L.S. which represent the chief ideals. The torch is an emblem of the purpose to lead the light of truth, that others may follow in the light of it and to serve in consideration of others.

Members of the Tri-Delta

## *Tri-Delta*

Each September the senior girls meet to organize the Tri-Delta for the year. Tri-Delta aims to develop the girls in the three D's which the club represents; duty, deference, and decorum.

During this year Tri-Delta activities have included the Tri-Delta Dance, the donation of two Thanksgiving baskets to each of two Churches, a Christmas Party, a trip to the Ice Follies, and as we go to press there are plans for baby sitting during election, a fashion show, food sale, and weekend trip late in May.

The officers elected by the group are: President, Loretta Caterino; Vice-president, Alberta Perreault; Secretary, Ann Forestiere; Treasurer, Evelyn Rogers; Representatives, Nancy Weeks, Betty Lohnes, Mary Bagrowski, Patricia DeDucca, Hertha Roach.

## G. A. A.

The Girls Athletic Association encourages every girl at B.M.H.S. to participate in some intramural sport, including basketball, badminton, bowling, softball, volleyball, and field hockey. Points for participation are given for each sport, and the girl with the most points at graduation is awarded a trophy.

Officers: Director, Miss Hood; President, Pauline Dempsey; Vice-president, Dorothy Gaudet; Secretary-Treasurer, Diane Desrosiers; Intramural Chairmen, Jean Colton and Faye Forsley; Assistant Intramural Chairmen, Ann Marie Grady and Kathleen Mahoney.

The Dramatic Club was started last year by four students. Endeavoring to promote creative development, all efforts are geared to imaginative thinking. Under the direction of their sponsor, Mrs. Fields, the club produced two successful one-act plays.

In this, its second year, the club has increased in number and activities, among them being "The Kickoff" and a Christmas Tableau. A three-act play is planned for the spring.

The club officers are: President, Thomas Revane; Vice President, Annabell Costello; Treasurer, Virginia Fay; and Secretary, Betty Sewell.

# Smoke Signal

The "Smoke Signal," our school newspaper, has reached the end of another year. Led by their talented Editor, Pat Collins, they reported the choicest bits of gossip and latest news. The large and adequate staff has worked diligently to make B.M.H.S. a more informed school. Among their endeavors was an effort to inspire school spirit by selling basketball pins and book covers. We, the Senior class, wish to thank them for all they have done to make B.M.H.S. a better school.

## Art Club

Students making ceramics

The growth and development of self expression in each student is the primary objective in the Art Club. Through the stimulation of the imagination, the self expression is created, which in turn strengthens the individual's development. The secondary objective is to enrich the student's sensitivity and appreciation for art; and to develop a stronger relationship between contemporary art and daily living.

The club has undertaken many projects including the decorations of the main lobby, highlighted by the first Christmas tree; National Book Week; bulletin board designs; posters; pottery design and interior decorations.

Oh! No!

Under the direction and guidance of one of our former students, Dave White-way, the Photography Club has been successful in teaching the members of the club how to take, develop and print pictures. Some of their pictures are displayed in the glass case near the cafeteria entrance.

### OFFICERS

President, Pete DeFoe; Vice-president, Denice Sloper; Secretary, Janet Nuttal; Treasurer, Gene Forsight; Assistant to Officers, Pauline Stivers.

## Science Club

Science Club Members

Our Science Club, under the direction of Mr. Sangermano, conducted monthly meetings during the year, at which current events in the field of Science were discussed. The aim of the club is to further an interest in science so that we may have a better world in the future. The Science Fair was held in March at which the club directed a display and contest of the projects of the science students.

## *The Chorus*

Representing the school with their euphonic voices, this group of choristers has met faithfully Thursday and Friday mornings during the activity period. They contributed to the "Kickoff" and the Christmas Pageant. We, the seniors, wish to thank them for giving their time and efforts to our activities to making life at B.M.H.S. more pleasant.

## Football

Still young in experience, but still with a will to win, the 1957 football season was one of happiness though not quite a winning one. The boys, under the direction of Head Coach Charles "Chuck" Lampson, Coach George Gracie, and Coach Babe Zarella, tried hard to learn all the skills that make a good team effort. The Indians showed they could do it by their last minute fight with Chelmsford on Thanksgiving Day.

In pre-season games we met Brighton High from Boston. Our first game resulted in a 14 to 0 win. We then went on to beat Dracut in the Jamboree in Lowell by a score of 7 to 0.

As the season started we journeyed to Ipswich to defeat them 13 to 0. In the second game of the regular season, we met Dracut, again coming out

on top, 20 to 6. Our next game with Andover was a heartbreaker. In the last few seconds they scored to tip us off 19 to 14. When the flu epidemic hit, it was difficult to obtain a game, but the boys managed to play against Dartmouth High, losing vainly 13 to 0. The Indians, recovering themselves from the flu, battled Phillips Andover to a 12 to 12 tie. Their next game with rival Tewksbury was a victorious and wet one. Many will remember the Billerica "Mudders." After the rain had cleared, the scoreboard read 7 to 6. The next two games, both losses, Walpole 18 to 7, and Winthrop 20 to 0, hurt the morale, but the Indians practiced hard and long for the big game with Chelmsford, but not quite enough. Everyone will admit that the boys played their hearts out for B.M.H.S. even though the score read 13 to 8. So close and yet so far.

## Basketball

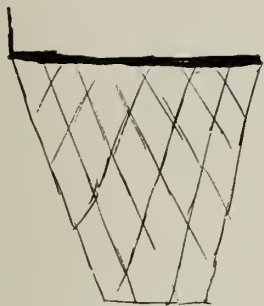

The Varsity Squad with Coach Gracie

Congratulations go to our 1958 basketball team for a fine season. Under the fine direction of our Mr. Gracie, the boys learned not only how to play basketball, but the art of sportsmanship which is our American building stone.

During the long season, wins were mixed with losses, but always the spirit behind them was tops. The class of '58 wish the best of luck in the future to our team.

## Girls' Basketball

The Varsity

The girls' basketball team had one of its most successful seasons this year, winning thirteen games and losing only four at the time of this writing. Throughout the season they have combined their skills to form a team which excels in sportsmanship and spirit. The team's standing in the Lowell Suburban League was second place.

## *A Little Better*

A little better skill in posing, a little better likeness and Boston's foremost imprint — and you have a much better photograph, much more satisfaction and far wider approval of results. Then we add beautiful covers and scrupulous care in details of packing and mark it—we deliver on time. No detail escapes our interested care.

OFFICIAL PHOTOGRAPHER

To the Class of 1958 we present this year's edition of The Chieftan.

We hope you have as much fun reading it as we had writing it.

An aerial photograph of a campus. In the upper left, there is a large, multi-story building with a flat roof. To its right is a large, open, light-colored area, possibly a parking lot or a field. The foreground and middle ground are filled with numerous trees of varying sizes. In the bottom left corner, there is a small, white, two-story building with a dark roof. A large, white, rectangular sign with rounded corners is superimposed over the center of the image. The sign contains the text "For Reference" in large, bold, red letters, and below it, in smaller red letters, "Not to be taken from this room". The entire image is framed by a dark green border.

**For Reference**  
Not to be taken from this room
